Objective

As an enthusiastic individual with a background in Software Development and e-Governance, I possess strong programming skills and a keen interest in exploring new technologies. My commitment to learning is evident through certifications in CCA, C++, Python, and Artificial Intelligence. I am eager to apply and expand my skills in a dynamic environment.

Education

B.Voc in Software Development & e-Governance

National P.G. College, Lucknow

Graduation Year: **2022-2025**

Class 12 (Humanities)

Study Hall, Lucknow

Graduation Year: **2021-2022**

Class 10

NIOS

Graduation Year: **2019-2020**

Experience

1. Intern – Achme Digitek Solutions (P) Ltd

 **Duration:** 14 June – 27 August 2024

- Developed a student registration form using C# with SQL connectivity, enabling secure data storage and management.
- Assisted with integrating MySQL Server for seamless database connectivity.

- Gained hands-on experience with Visual Studio 2019 and SQL Server Management Studio.

2. Intern – IBM

 **Duration:** 25 October – 5 November 2024

- Worked on various cybersecurity fundamentals and gained practical insights into the implementation of security measures in software development.
- Contributed to team discussions and learning modules on cloud computing and AI technologies.

3. Intern – IBM

 **Duration:** 16 December – 30 December 2024

- Worked on **Prompt Engineering** and gained in-depth knowledge of **Artificial Intelligence (AI)**.
- Developed an e-commerce website, **ErgoLux**, for a gaming chair company, leveraging AI to assist in website design and development.

Skills

- **Programming:** C++, C#, Python, Java, SQL, Android Studio Development, CSS
- **Video Editing:** Microsoft Clipchamp, Adobe Premiere Pro (Basic)
- **System Hardware:** In-depth knowledge of processors, RAM, motherboards, HDDs/SSDs, GPUs, and computer assembly/repairs

Certifications

- **IBM Cybersecurity Fundamentals** – IBM SkillsBuild
- **IBM Prompt Engineering** – IBM SkillsBuild
- **Artificial Intelligence** – TechDock Labs Seminar, National P.G. College
- **C# with MySQL Server Integration** – Acme Digitek Solutions (P) Ltd
- **Python Programming** – Udemy
- **C++ Programming** – Imaparta Computer Institution, Lucknow
- **Course in Computer Applications (CCA)** – Imaparta Computer Institution, Lucknow

Languages

- **Hindi**
 - **English**
-

Projects

1. C# with SQL Connectivity

Developed a student registration form with secure data storage using C# and Microsoft SQL Server.

2. TicTacToe Android Studio Development

Created an interactive TicTacToe game with responsive design and optimized code in Java.

3. Java Database Connectivity

Implemented database connectivity to manage data efficiently for a sample application.
